AVAILABILITY

Due to the nature of the film industry, we do not have set opening or closing times. As such, employees are expected to keep flexible schedules and be available for work everyday, including holidays. We are open every evening of the year and afternoons on weekends and whenever school districts are closed. We are, sometimes, able to accommodate people with limited availability (School, Other Employment) but availability is the number one factor in hiring.

Do you have any times you are not available? _____
